Should you wish to reach out to someone to help with an issue regarding your interview on the interview date, please reach out to the below:

- Please contact us via toll-free number - 1800 419 5477 or mail us at Talent-Acquisition@infosys.com
- Recruiter for further correspondence/queries/reply - santosh.2171362@infosys.com

Here are the mandatory instructions and guidelines you must adhere to for participating in the virtual interview:

1. Use the latest version of Google Chrome (version 84 or above) web browser to open the interview link.
2. Ensure a stable Internet connection with a minimum speed of 10 Mbps for the duration of the interview.
3. The device being used to take the interview needs to have a working webcam and microphone.
4. Present your original government photo ID proof during the interview for verification process.
5. Be seated upright with your face clearly visible so that it can be constantly captured by the webcam.
6. The surroundings should be as quiet as possible with no background noise.
7. You must dress in smart casuals as you would for a formal interview process.
8. Click on Allow button, when camera and microphone access required popup comes on a screen.

Note: As a prerequisite for the interview process, we would recommend you to download teams application on your personal laptop/desktop from the below link.

<https://www.microsoft.com/en-us/microsoft-teams/download-app>

Wish you all the best for the upcoming assessment! We look forward to speaking with you.

Alert : We would like to bring to your notice that Infosys follows a merit-based employee recruitment practice with extensive screening steps. Please note that the candidate with credible identity and required skill sets are only to take part in the recruitment process. Any instances of fake identity, impersonation or malpractice during any stages of recruitment process will be treated as violation-of law of the land and will lead to strictactions including notification to governmental authorities, police and termination of employment.

Privacy Statement

Please note that you are receiving this email as part of Infosys interview process. During the interview, your facial image would be captured and will be compared (using automated AI/ML algorithms) against the photograph shared by you at job application stage in order to verify whether it is the same person appearing at all the stages of recruitment process and to prevent impersonation, frauds etc. You will also be asked to present your Valid ID proof (do not share your Aadhar) to verify your identity, no screenshots will be taken capturing the same. Your data will be stored on our authorized vendor's cloud servers in India. Please do not share any personal data belonging to you or any other person(s) which is unrelated to the business purpose. Personal Data will not be retained for a period more than necessary to fulfill the purposes outlined in this privacy statement unless a longer retention period is required by law or for directly related legitimate business purposes. Infosys adopts reasonable and appropriate security practices and procedures including administrative, physical security, and technical controls in order to safeguard your Personal Data. You are entitled at any

time to exercise your Data Privacy Rights as per applicable DP Laws by sending us a message at privacy@infosys.com. By attending this interview, you acknowledge that you have read this privacy statement and consent to the above collection and processing of your personal data by Infosys.

Regards,
Talent Acquisition
Infosys Ltd
